APRIL SCHOOL HOLIDAYS BUSH CAMP 2009 @ CAMP ADAIR

Dear Parents/Caregivers:

The St Heliers Church and Community Centre Autumn Holidays Bush Camp 2009 at Camp Adair will be a wonderful chance for your children to experience a fun packed holiday in the beautiful Hunua Ranges. Camp Adair is a YMCA camping facility, well known to, and enjoyed by several generations of young people.

Our action packed inclusive programme will offer our young people opportunity to test their skills in many outdoor pursuits, including raft building, archery, mud slide, bush craft, confidence courses and many other activities—there will be something for everyone. All activities are included in the cost of the camp.

The camp offers excellent accommodation, with several dormitories, kitchen, dining hall and shower blocks. Campers will have the opportunity to cook their own lunch over the campfire, while in the evening we'll have a combination of BBQ and traditional cooking. Food preparation, cooking and clearing up will be a group activity, supervised by adult leaders.

All our activities are aimed at developing young peoples' social and leadership skills, while encouraging the creation of friendships to last a lifetime.

Christian Fellowship is the basis of our camp programme. there'll be lots of music, fun and drama for everyone.

LEADERSHIP ORGANISATION

Reverend Pauline Stewart and Frann Sawtell (Youth Ministry Co-ordinator) will be responsible for the overall supervision and directorship of the camp, with a team of two Senior Youth Leaders being responsible for the day to day running of the camp.

We have a group of trained Youth Leaders responsible for small group supervision, and qualified instructors where activities warrant this.
